Kindergarten Oral Language and Communication Topics
Term 3, 2026

Thursday 23 July 2026

Dear parents and carers,

Term 3 is an opportunity for students to gain further confidence speaking in front of their peers. Kindergarten children should prepare their topic talk at home and write or draw the main ideas on palm cards or small pieces of paper. The topics are listed below.

During **Week 5 (17 - 21 August)**, on their news days, students will present a one-minute speech on a topic of their choice. It can be a repeated/favourite topic if they choose. After the speeches have been completed, two students from each class will be selected to participate in the Early Stage 1 Public Speaking Competition Final, which will be held in **Week 7.** Further details about the event, including specific times and arrangements, will be provided closer to the date.
