Stage 1 - Term 3 News Topics

Oral language and communication

Thursday 23 July 2026

Dear parents and carers,

This term, Stage 1 students will continue to learn the important skills of public speaking. The weekly news topics are listed below.

During **Week 5** (17 – 21 August), on their news days, students will present a two-minute speech on a topic of their choice. The prepared speech should be persuasive in nature. After the speeches have been completed, two students from each class will be selected to participate in the Stage 1 Public Speaking Competition Final, which will be held in **Week 7.** Further details about the event, including specific times and arrangements, will be provided closer to the date.

To prepare students for their Week 5 speeches, all topics this term will focus on persuasive themes, allowing students to practise forming and presenting convincing arguments. Students will present their news during their allocated news time (please refer to your class timetable posted on School Bytes parent portal).

We recommend students draw pictures or make notes on palm cards to help them present the news topic.
